CAREER OBJECTIVE

A motivated Computer Science undergraduate with a strong interest in software development and problem-solving. Skilled in C++, Python, and core software development fundamentals, with hands-on experience building web applications through academic projects. ServiceNow CSA and CAD, with a keen interest in learning and exploring new technologies. Eager to apply my technical skills to real-world challenges, learn from experienced professionals.

EDUCATION

JECRC University

B.Tech in Computer Science and Engineering | **CGPA: 8.71/10.0**

Jul 2023 – Jul 2027

Jaipur, India

SKILLS

Technical Skills: Python, C++, DSA, OOP

Tools & Platform: Git, Github, Google Cloud, ServiceNow

Soft Skills: Adaptability, Attention to Detail, Problem Solving, Teamwork, Quick Learning

INTERNSHIP/EXPERIENCE

NPTEL Winter Intern | IIT Roorkee | NPTEL

Jan 2026 - Feb 2026

Hybrid

- Researched Augmented Reality and Artificial Intelligence applications across multiple domains including healthcare, education, and industrial automation.
- Analyzed and summarized 5+ research papers on AR/AI technologies, producing structured technical documentation under faculty guidance.
- Presented research findings on AR-based assistance systems, demonstrating how AI-powered computer vision enhances real-time procedural guidance.

ServiceNow Trainee | JECRC University

Feb 2026 – Mar 2026

- Selected in the training program as part of a cohort of 120 students gaining exposure to the ServiceNow platform and its basic features.
- Completed ServiceNow training covering the platform fundamentals and application development basics.

PROJECTS

Master₹ – Expense Tracker | *HTML, CSS, JavaScript, Python Flask, SQLite*

- Designed and developed the full frontend interface using HTML, CSS, JavaScript, and Flask templates, enabling seamless user interaction for income and expense tracking.
- Engineered responsive UI components for login, dashboard, and monthly summary views, integrating with Python Flask backend APIs for dynamic data rendering.
- Collaborated in a team of three, owning frontend development while contributing to system testing and technical documentation.

CERTIFICATIONS

NPTEL Winter Internship | 2026 | [Certificate](#)

ServiceNow Certified Application Developer | 2026 | [Certificate](#)

ServiceNow Certified System Administrator | 2026 | [Certificate](#)

Google Cloud Computing Foundations | 2025 | [Certificate](#)

VOLUNTEERING

Smart India Hackathon(SIH) Volunteer: Helped and coordinate in managing 25+ teams during the event, improving my teamwork, communication, and event management skills.

Google Developer Student Club (GDSC) – Served as an Editorial Member, contributing to content creation and strategizing.
